**Dear friend,**

**In each revelation we wish to give you a very rich and rewarding experience, one that awaits you with open arms. Please feel free to write back any questions that you may have and through the word of God we will attempt to give you answers to satisfy your craving for the Word.**

**It is good to expect much of any good thing because strong expectation is a facet of faith. A positive attitude is definitely to be cultivated into a habit. Learning a new way of thinking and a new approach to life requires faith in God that He will never leave you nor forsake you no matter how glum your surroundings may seem. The results of our studies are accumulative. They build up as the snowball effect. They grow on you like an acorn seed. They increase like money at compound interest. Remember that everything takes time. You do not have to plant a seed and expect to yield a harvest. You need time, care and cultivation. Even planting a seed at the wrong**

**time can kill a harvest. Ecclesiastes tells us “to everything there is a season.” Anything that you can do quickly and easily is of temporary value. So give our life-changing lessons some time. Let them grow within you. You are setting out to find Faith and use its power. But to learn Faith you must have patience, persistence, and determination.**

**This course of study and practice is a progress, and faith is the means to progress to points the eye cannot see and feet cannot touch. It builds reality of seeming unreality. It connects your life with divine resources. Remember Abraham believed God.**

**Companionship gives you two priceless things, deliverance from aloneness and the power of living and working with others toward a common goal. Should you know of anyone who may benefit from our writings please give them our address or e-mail. We are international so**

**if you ever run into another New Birth Ministries member just tell them our motto which is" The World is Our Pulpit" and give them a brotherly hug as we are told to do in the Scriptures. That should bring on an instantaneous smile.**

**I know of your struggles, your difficulties and doubts. We all have them in some way. Once you say that you love the Lord, struggles and persecution will come. But that in no way makes you a loser. You are in a win-win situation. If you live you win and if you die you win. To live in Christ is to win or to die is gain. Of course no one wants to die on purpose hopefully, but you are insured with the "Christ Jesus Insurance Company". You are in good hands with this company. You must have faith. Just simply believe. Understanding comes easy with the bit by bit approach.**

**Isaiah 28 versus 9 to 10 tell us" Whom shall he teach knowledge? And whom shall he make to understand doctrine? Them that are weaned**

**from the milk and drawn from the breasts. For precept must be upon precept, precept upon precept, line upon line, line upon line, here a little and there little.” God promises us enlightenment and restoration. Isaiah 29: 17 to 24**

 **The power of faith:**

**“Much knowledge is lost to us through want of faith”–Hericletus**

**“Faith is the root of all blessings. Believe and you shall be saved, and you cannot but be comforted and happy”–Taylor**

**“To believe is to be strong. Doubt cramps energy. Belief is power”–Robertson**

**These revelations are prepared for any and all who are coming up the path with our ministry. As in any “class” some students are better prepared than others. If you find it difficult to understand any of the lessons, do not fret, understanding will come with prayer. It may come later as you re-read each lesson. And as I always tell our students, “chew the meat and spit out the bones in anything that you hear or read.” Example: some may disagree on our stance on tithing whether we use proper scriptures or not. Spit out the bones! Either disregard the teaching or take time and pray about it and let the Spirit of God speak to your heart on the subject.**

** In studying:**

**Arrange for a certain time to study and a certain hour. This is important. Make a habit of it. Later in the evening is good for those who like to go to bed with the word on your heart. This could be for the prevention of nightmares perhaps. Some are early risers instead and**

**study better and are more alert in the morning. Just make your studying regular. Always, always, always use the Bible. Go where you will not be disturbed. God may speak to your heart during study yet at the same time the devil may use your cell phone to distract. Satan's timing is impeccable if you allow it to be, do not allow it to be. Have you ever gone to bed and comfortably slipped into a partial sleep and just when you're nearly asleep the door buzzer went off or the phone rang or something loud clicked in your home? The enemys tactics are to rob you of any type of rest. You cannot fight a battle without proper rest. You were too tired and mentally strained to do so. Even Jesus went up to the Mount and into Gardens in order to get rest. Keep your armor on at all times.**

**➤ About the Lessons:**

**Protect your lessons but please do not copy them. We expect you as a worthy member of New Birth Ministries to protect them. We**

**recommend that you read everything at least twice. Not as in each line but as in each lesson. The Lord will show you something new each time. He has that way of doing things. Take notes. Upon reading something make sure that you've grasped all of its meaning. Apply what you've learned to all situations in your life. And remember that no situation can confront you of which you cannot cope. Jesus is with you in name, by his blood, and his Holy Spirit.**

**It is our desire that each of you will be so fully instructed in spiritual and mental mastery that you will not only be able to rise above ordinary means but you will also be able to aid and minister to others. These lessons are the property of New Birth Full Gospel aka New Birth Ministries and are not to be sold or copied. We send them to you as a gift. They cannot be purchased. As a 501(c)(3) charity organization we accept donations but we do not sell Gods word. They are loaned to you for use of study in the privacy of your home. We've**

**had people attempting to teach from them, not understanding what they're teaching nor were they equipped spiritually to do so. This is a bad representation of our ministry. Study to shew thyself approved first. We even have lessons that one can take for one year and tests that go with them if you are interested in receiving a Certificate of Biblical Studies. Nothing will be withheld from you. Whatever God places on our hearts we will share. Some information will be acquired from the writings of our ministers and other material be by myself, Rev. Scott or Rev. Essie. We are not hung up on titles here. You may also call me Essie. That is fine. What you learn requires you to do your part. The tests may be many in your life but the sacrifices few.**

**....."and the key of the house David will I lay upon his shoulder; so he shall open, and none shall shut, he shall shut, and none shall open".  
Isaiah 22:22 and Revelation 3:7.**

**Absorb all that you can slowly. Scientists tell**

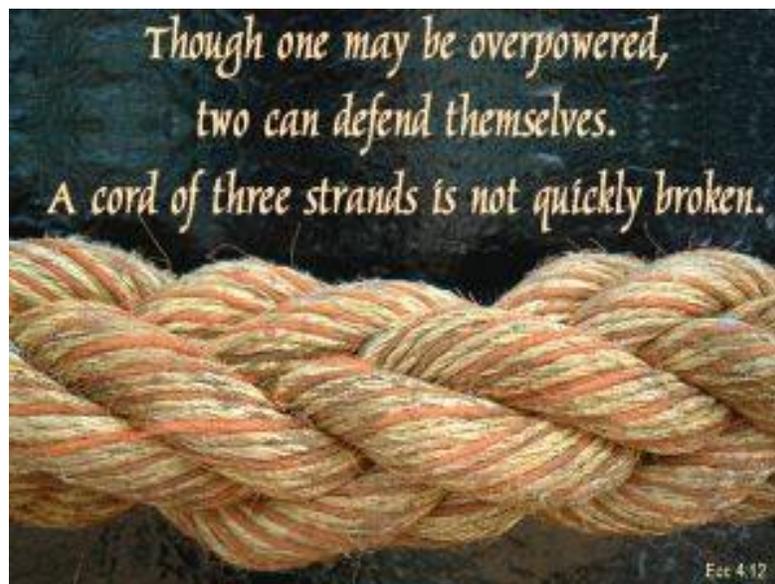

**us that mighty glaciers once rolled down from the north and cover all of the northern hemisphere; yet they moved so slowly that movement was scarcely perceptible. Still, slowly the glaciers moved but compared to the age of the earth, the glacial era was but a few days. Patience and persistence will be needed by you; but suddenly one day you will discover that you have begun to demonstrate spiritual and mental mastery. Your flesh will desire one thing but your spirit will say and adamantly mean “no”. You will grow in ways that you never expected. Only one step at a time can be taken.**

**You will be shown how to overcome fear and worry. You will correct many physical ailments and obtain better health. We are not a religion nor do we teach any sectarian beliefs or denominational beliefs but we teach only that which is in the word of God. We teach truth. We teach that God is a God of love and our teachings are stripped of dogma and the psychology of fear.**

**You are on the road to freedom and mastery my friend. Always be worthy and all revelation will be given unto you.**

**May your desire be constant, your persistence be enduring, and your faith be strong so the blessings of life will be added unto you.**
