SOME NOTES ON NECROMANCY

Necromancy: The practice of communication with the dead. The bible considers it as "Sorcery" as with King Saul asking the Witch of Endor to bring back a deceased Samuel the Prophet.

Deuteronomy 18:10-13..."There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch, or a charmer, or a consulter with familiar spirits, (as with the Long Island Medium or the recently deceased Sylvia Brown), or a wizard, or a necromancer. For all that do these things are an abomination unto the Lord: and because of these abominations the Lord thy God doth drive them out from before thee. Thou shalt be perfect with the Lord thy God."

The Random House dictionary says that divination is an attempt to foretell events or discover knowledge by occult or supernatural means. Perception by intuition.

Ex:

Esp, crystal balls, ouija boards, tarot cards. See Isaiah 8:19 also.

The practice of necromancy entails a Greek word called "darash" which means to follow, pursuit, search, seek, or ask, to worship, care for, diligently inquire, question, require, or crying to the dead, inquisition.

The Godhead (Trinity) is not like gold, silver, or stone, graven by art and man's device..and God commands these men to repent...

Rev. 20:12..for the small and great ones will be judged.
